L=Low Floor Bus

Route 131 - Northwest Industrial Dial-A-Bus

The Northwest Industrial Dial-a-Bus, Route 131, carries passengers between Westmount Transit Centre and the Northwest Industrial area. It operates weekday evenings and Saturday midday and evening on a 60 minute schedule. Customers boarding the bus at Westmount Transit Centre tell the Operator the **bus stop number** (i.e. BusLink number) where they want to leave the bus. If they want to be picked up, customers have a 15 minute window, prior to the bus leaving Westmount, to phone the Operator with the **bus stop number** where they want to be picked up. The phone number for Dial a Bus Route 131 is **221-5131**.

When the customer phones in, the Operator will give the customer an approximate time when they will be picked up.

On weekdays, the Operator will be taking calls from customers from the hour until 15 minutes past the hour (eg: 7 p.m. until 7:15 p.m.).

On Saturday, customer calls will be accepted from 15 minutes to the hour until the hour (eg: 2:45 p.m. until 3 p.m.).

Please be at the bus stop on time. The bus Operator will be watching for you, but cannot wait in order to maintain the schedule and meet transfer requirements. Drop off and pick up routing for every trip is determined by the Operator. This ensures the most efficient planning for each trip and gets the bus back to the transit centre for transfer connections.

The Northwest Industrial Dial-a-Bus will stop only at bus stops in the service area. Service is provided by a regular size (40 foot) low floor bus.

Regular transit fares apply. Valid transfers are accepted.
