BusLink: Available 24 hours; automated schedule information; via touch-tone phone. Dial 496-1600, enter your bus stop number.

Using Your Route Schedule

This timetable has the specific travel times of the route listed on the upper front of the bus. The purpose of route brochures is to help customers plan their travel time and reduce unnecessary waiting at bus stops. Although difficulties in traffic may delay some buses, our Operators strive to maintain the schedule time printed in brochures.

Below is a diagram explaining what each area of the brochure represents.

Trip Planning 496-1611

Trained information operators help you plan your transit trip over the phone. Before calling, please have ready the address you are leaving from, the address you're going to, and the time you wish to travel or arrive. The phone lines are open on weekdays from 6:30 a.m. to 9 p.m., on Saturdays, Sundays and holidays from 8 a.m. to 5:30 p.m.

Comments and Concerns 496-8900

If you have questions or comments about ETS service or staff, good or bad, call the Commendations and Concerns office. The office is open on weekdays from 8:30 a.m. to 4:30 p.m.

BusLink 496-1600

BusLink is a fully automated bus schedule information system available 7 days a week, 24 hours a day.

ETS Web pages

Current route and schedule information, maps, BusLink information, fares and the latest in transit news is on the web. You can visit the ETS web site at www.takeETS.com

System Maps

The ETS Spring/Summer and Fall/Winter Ride Guides contain full system maps for Day and Late Night service, a City Centre map and a route frequency table.
