Using Your Route Brochure

This timetable has the specific travel times of the route listed on the upper front of the bus. The purpose of route brochures is to help customers plan their travel time and reduce unnecessary waiting at bus stops. Although difficulties in traffic may delay some buses, our Operators strive to maintain the schedule time printed in brochures.

The Schedule

The Route Number

The route number is followed by the time of the week to which the schedule applies: ie: Weekdays (Mon - Fri.); Saturdays; and Sundays.

Schedule

Travel times are listed in am. and pm. segments. Reading the times from left to right gives you the travel time from point to point. Reading top to bottom shows you how frequently buses travel; ie: every 15, 30 or 60 minutes. This is the same schedule used by LRT/bus Operators and Transit Information Operators.
