Using Your Route Schedule

This timetable has the specific travel times of the route listed on the upper front of the bus. The purpose of route brochures is to help customers plan their travel time and reduce unnecessary waiting at bus stops. Although difficulties in traffic may delay some buses, our Operators strive to maintain the schedule time printed in brochures.

Below is a diagram explaining what each area of the brochure represents.

The Route Number		17 Sun\Hol. Schedule					
The route number is followed by the time of the week to which the schedule applies: ie: Weekdays (Mon - Fri.); Saturdays; and Sundays & Holidays (Victoria Day, Civic Day, etc.).							
Map Reference							
Letters are used to correspond with timing points shown on the map.							
Schedule							
Travel times are listed in am. and pm. segments. This is the same schedule used by LRT/bus Operators and Transit Information Operators.							
BusLink							
Call 496-1600 Get route and schedule info for your bus stop from BusLink, our 24 hour computerized telephone info service.							
Timing Points							
Main stops at timing points are listed on the schedule; however, buses will stop at other bus stops not listed. Reading the times from left to right gives you the travel time from point to point. Reading top to bottom shows you how frequently buses travel; ie: every 15, 30 or 60 minutes.							
Footnotes							
Notes are made to show low floor bus service or a departure from regular service. Trips to Government Centre are indicated on the schedule.
