Using Your Route Brochure

This timetable has the specific travel times of the route listed on the upper front of the bus. The purpose of route brochures is to help customers plan their travel time and reduce unnecessary waiting at bus stops. Although difficulties in traffic may delay some buses, our Operators strive to maintain the schedule time printed in brochures.

Letters are used to correspond with timing points shown on the map.

Footnotes

Notes are made to show departures from regular service: ie. interlines (trips continuing as other routes), specialized buses and Government Centre trips.
