Why *Dial-a-Bus*?

New technology allows direct communication with the operator of Riverbend's Dial-a-Bus service. This concept allows basic service to be retained at a minimum cost, making the new route right for your area of the city. This experiment will be monitored and will be revised if necessary.

How Does it Work?

The Riverbend Dial-a-Bus will carry passengers to and from connections at Southgate Transit Centre. You will note that all stops in Riverbend have been numbered. When calling your bus operator, know the number of your Dial-a-Bus transit zone for faster service.

The Dial-a-Bus will provide improved service by being customized to your needs. Hourly late night, Sunday and Holiday service will now be replaced by a more efficient 30 minute service!

To Your Home

(from Southgate Transit Centre)

No phone call is necessary for the service from Southgate. Here are the easiest steps:

1. **Take your regular bus to Southgate Transit Centre.** Most arrivals will be met by the Dial-a-Bus, but check the enclosed schedule for your Dial-a-Bus departure times.

2. **Board the Dial-a-Bus, and tell the bus operator your destination.** This is best done by giving the operator the number of your transit zone. Call 421-4636 before you begin your trip if you are uncertain of your destination.

3. **In Riverbend, the bus operator will go to all requested stops.** However, the sequence may vary with conditions. If you are not familiar with the Riverbend area, please ask the operator to call your stop.

4. **At regular route stops** along 51 Avenue and 122 Street, ring the bell in advance of your stop.

From Your Home

(towards Southgate Transit Centre)

Trips from Riverbend towards Southgate are booked by telephone. You should make your telephone call **at least 30 minutes before** your planned trip.

1. **Call** 446-2657. Allow time for the bus operator to take your call. If, after ten rings, you are unable to reach the bus operator, call 428-8195 for assistance.

2. **Give the bus operator the transit zone number where you are to be picked up.** He or she will confirm the approximate time that the bus will be at your stop.

3. **Be at the stop in time.** The bus operator will be watching for you, but must complete all pick-ups in time for other passengers. **If you must cancel your trip,** please call 446-2657 right away and let the operator know. ***The quality of this service depends on your cooperation.***

4. **Welcome aboard.** Your Riverbend Dial-a-Bus will complete its pick-ups, then travel from Whitemud Freeway/53 Avenue southbound via the regular route to Southgate, making regular stops as required.

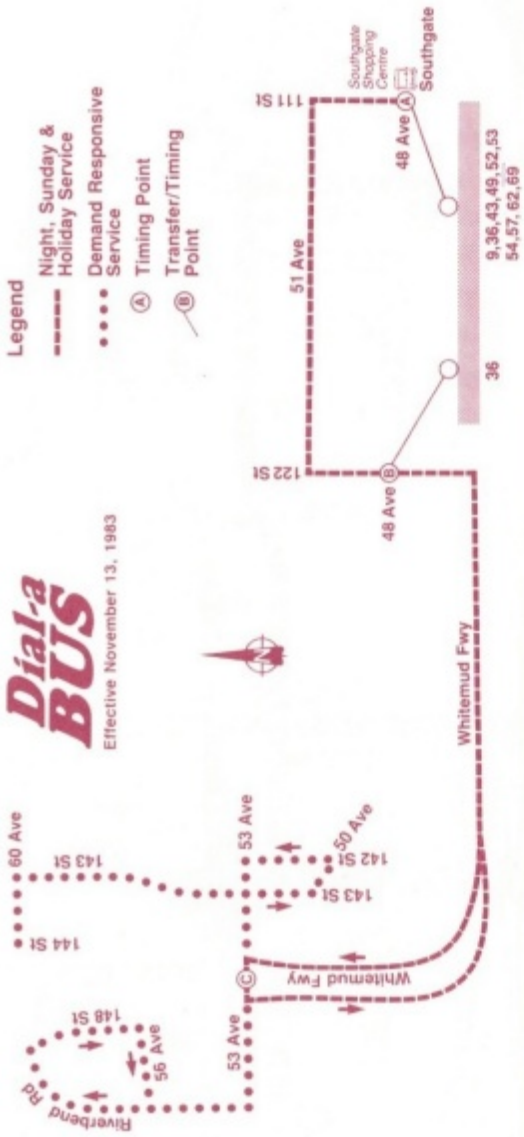

The Dial-a-Bus is scheduled to connect with services such as Route 9 to Downtown and NAIT, Route 69 to the U of A, and Routes 49/53 to Heritage Mall.

Not a Taxicab

The Riverbend Dial-a-Bus will not make stops off of the regular route shown in this brochure. If making a local trip *within* Riverbend, tell your Dial-a-Bus operator your destination and you will be served directly when possible. You may be carried via Southgate if necessary for schedule reasons. No extra fare will be charged for this routing.

What does it Cost?

Regular cash transit fares are charged for adults and children, or use your convenient Edmonton Transit Pass or tickets. Valid transfers are also accepted.
