Weeknight Local Service

After 7:07 p.m. on weekdays, Night Route A5 provides fixed schedule service all evening along the route identified by a solid line on the facing map. Times are identified in the above schedule.

Service in Pineview, Campbell and Lacombe East will be on request only along the route shown by a shaded line.

For pickup in these areas, please telephone the bus driver at 446-1717. Please make this call at ten minutes before the hour. Pickup times will be approximately 5 minutes after the hour in Pineview, Campbell and 25 minutes after the hour in Lacombe East. This phone is active from 6:50 p.m. until 12:15 a.m.

If you board the Night Route A5 at the the Transit Centre and wish to travel to Pineview, Campbell or Lacombe East, tell the driver and he/she will travel the route identified by the shaded line.

The last trip on Night Route A5 leaving the Transit Centre at 12:50 a.m. will travel only to stops that have been requested by passengers.

Saturday Night Dial-a-Bus

On Saturday after 6:50 p.m., "Dial-a-Bus" provides bus service to any bus stop within St. albert on demand only.

To request a pickup at your nearest bus stop:

1. Dial 446-1717.
2. Tell the driver your name and the bus stop you wish to be picked up at.
3. He/she will give you an approximate pickup time.

Please place this call to the driver at five minutes before the hour for pickup during the next hour. The Dial-a-Bus will connect with a bus going to Edmonton at ten minutes before each hour from 7:50 p.m. until 11:50 p.m. This phone is active from 6:50 p.m. until 12:15 a.m.

The Dial-a-Bus connects at the Transit Centre with the A3 bus coming from Edmonton at ten minutes before each hour from 7:50 p.m. until 12:50 a.m. For drop off in St. Albert, board the Dial-a-Bus and tell the driver which stop you wish to be taken to.

Fully Accessible Public Transit

St. Albert Transit daily operates 3 Low Floor buses on regular scheduled routes. Because these buses do not have any steps between the front and rear door, they are fully accessible and it is easier for **everyone** to board and alight. There are two positions at which wheelchairs or scooters can be secured. Persons who have difficulty or total inability to board regular transit buses because of steps, now have convenient fully accessible service.

Trips marked (LF) are operated by accessible buses. For more detailed information on fully accessible service, please consult the special "Accessible Transit - Rider's Guide" or phone 459-6909.
